Remembrance Services Thursday

A cold, breezy morning greeted marchers in last Thursday's Remembrance Day parade in Drayton Valley.

The parade formed up at the Legion Hall and preceeded by the R. C. M. P. and Color Party marched off to the Cardium Theatre where remembrance services were held. As well as veterans and Legion Auxiliary members a number of youth groups also took part in the service.

The service of remembrance was conducted by Lawrence Bingon with Rev. Strachan and Rev. Lynch giving prayers and scripture readings.

Mrs. W. Durham laid a wreath on behalf of mothers, Mayor Howard Pickup for the Town, and Mr. Fred Raven for the Provincial Government.

Mrs. Margaret Haynes concluded the service with the recitation of "Flanders Fields".

Caravan To Visit Drayton

An eight-trailer Centennial Caravan, one of eight such caravans which will be touring Canada during 1967, will spend six months touring Alberta, the Northwest Territories, and the Yukon, bringing to residents the story of Canada from the earliest times up to the present.

Each Caravan will be composed of eight trailer units and tractors which will be set up in a special pattern on exhibit sites. Seven of the trailers will contain a continuous story display, while the eighth will be a service unit. There will be a central exterior exhibit area, as well, which will contain regional displays.

Caravan No. 7 will enter Alberta at Milk River on May 1, 1967, and will terminate its tour at Drumheller on Tuesday, November 2nd, 1967. It will travel 8,039 miles, and will make 95 exhibit stops, 81 of these in Alberta. The Caravan will be in Drayton Valley from July 2nd to 4th and in Evansburg on July 1st.

Both the Federal Centennial Commission and the Alberta Centennial Committee have expressed the hope that communities which will be visited by the Centennial Caravan will use this as an event around which to centre other centennial activities.

The Caravan will be equipped with stage areas and facilities for the presentation of local programs featuring folk singers and dancers, bands, orchestral groups, drama or pageant presentations, during its visit to each community.

Inside the trailers, many modern electronic and film techniques will be introduced to aid the telling of the storey of Canada, and it is hoped that the viewers will enjoy an experience unlike any they have had before.

Important HSA Meet Planned

Parents are reminded of the Home and School Meeting to to be held Wednesday, November 24th at 8:30 p.m. in the Frank Maddock High School.

A very interesting program has been planned. The principal from the Institute of Technology in Edmonton will be present and give an address on the Careers Available and the academic requirements at the Institute. Mr. Quaite, principal of the Frank Maddock High School will also speak dealing with the high school credit system.

Parents of junior high and high school students are urged to attend this very important meeting.

FOUR DRAYTON TEAMS IN HI-WAY 16 LEAGUE

Drayton Valley will have four teams in the Hi-Way 16 West Hockey League which will operate at four levels this winter. Originally this league was for Intermediates only, however, this season it will expand to include competition at the Juvenile, the Bantam and the Pee Wee level.

At a meeting held in Spruce Grove on Sunday, November 14th, four local teams were entered in this league. Teams from Drayton will compete at the Intermediate, the Juvenile, the Bantam and the Pee Wee levels. Schedules will be drawn up and league play will get under way as soon as possible.

BIBLE STUDY

Because of special meetings in the churches of many of those who attend these Thursday evening Bible Studies, the group will not meet this week.

At 8:30 p.m. on Thursday, November 25th the group will resume its discussion of Revelation Chapter 3 (starting with the message to the Church at Philadelphia) in the home of Dr. and Mrs. Maclure, 4719 - 44th Street.

The discussion will be followed by a lunch and all interested in studying the Bible will again be most welcome.

CLUB HOLDS SUPPER

The Drayton Valley 4-H Beef Club held its travelling supper on Friday, November 12th.

The members and leaders who attended met at Otto Guze's or were picked up on the road. Transportation was by truck. The first stop was at the Ted Tucker home where soup was served. Then the group travelled on to Arvet Erickson's for the main course. The final stop was at Nick Urchyshyn's where dessert was eaten. After dessert, the group danced to an assortment of records brought by the members. This record hop was held in the Urchyshyn's rumpus room.

Thanks go out to a number of persons who helped make the supper a success. They are: Mr. Bohdon Urchyshyn, Mrs. Evelyn Tucker, Mrs. Melba Erickson, Mrs. May Urchyshyn, Mrs. W. Meston, Mrs. R. Johnson, Mrs. A. Kos, Mrs. J. Eveleigh, Mrs. L. Sharkey, Mrs. O. Guze, and Mrs. V. Swap.

Since the Air Cadet League was founded in April, 1941, more than 177,000 teen-aged boys have participated in its aviation and citizenship training program.

Plan Beef School

A Beef Production School will be held in the Drayton Valley Scout Hall on December 15th and 16th, from 9:15 a.m. to 4:15 p.m. daily.

The program includes the following topics: beef layouts building construction (types and materials), hay shelters, silos mechanization, breeding and feeding management of cow herd, feeder cattle and economics of production.

An Extension engineer, beef specialist and economist will be present to discuss the above topics.

For further information contact your District Agriculturist office in Stony Plain.

Shown above is the parade headed by the Color Party formed up to march to the Cardium Theatre.

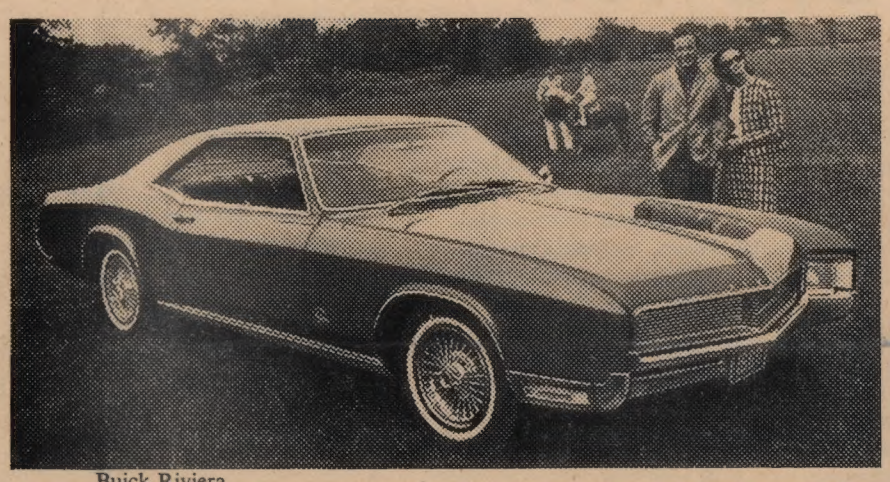
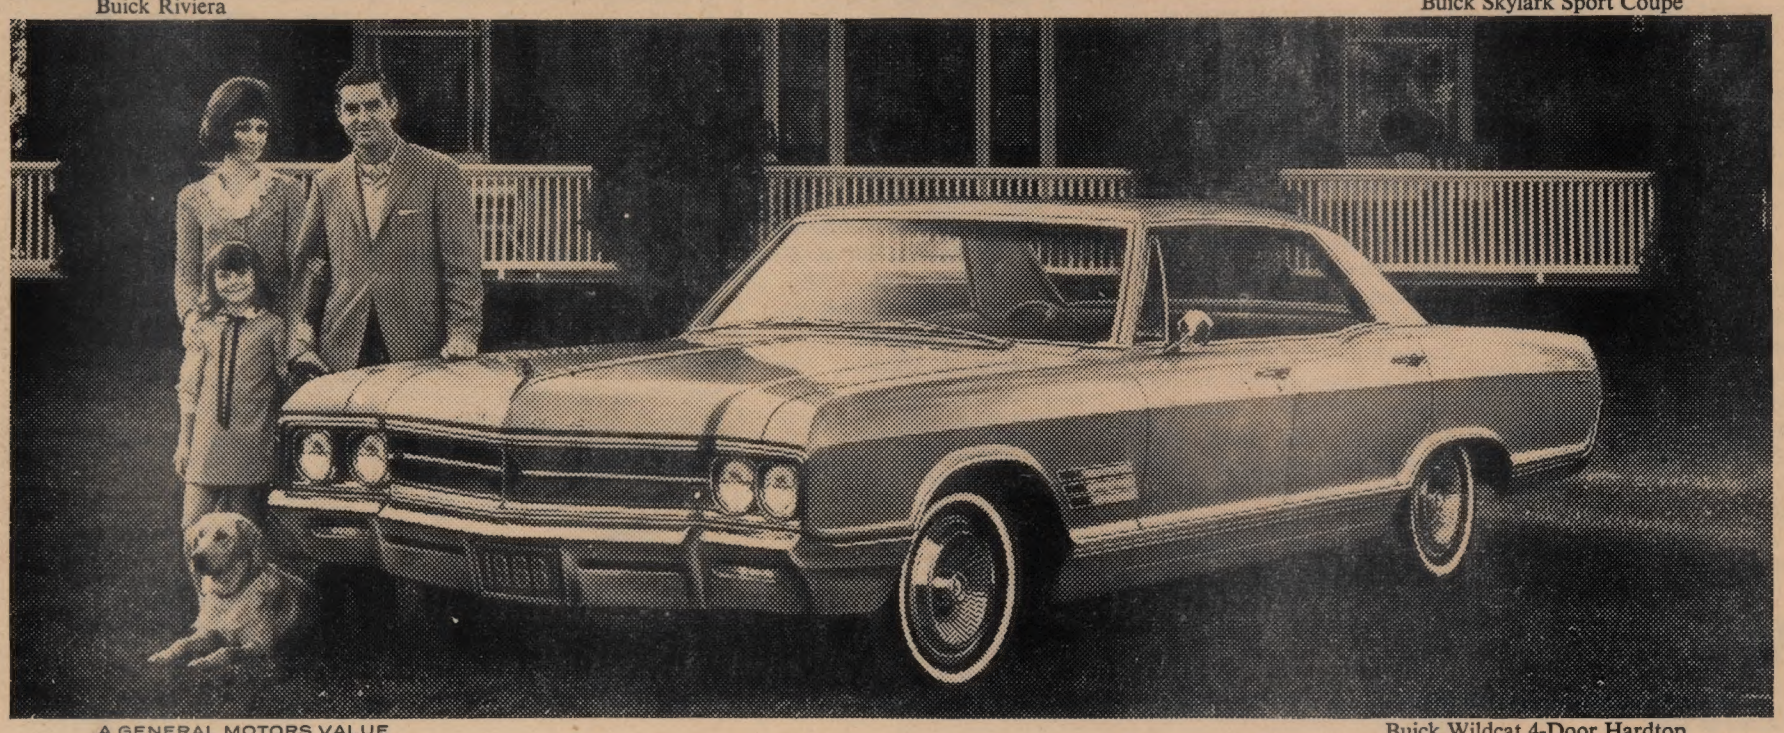
Introducing the tuned car. 1966 Buick.

What makes a car a car is styling, performance, braking and ride and handling. Only when they're all tuned together is the car a Buick.



Buick Riviera

Buick Skylark Sport Coupe



A GENERAL MOTORS VALUE

Buick Wildcat 4-Door Hardtop

We tuned the 1966 Buick. Not just the engine, but the whole car. We tuned *all* the elements. Like you would the instruments in an orchestra. And just as the tuned orchestra gives the effect of one-ness, the tuned car says blended perfection from bumper to bumper and road-line to roof-line.

Tuned Performance. We tuned Buick performance. Not just by increasing the efficiency of the six Buick engines, but by tuning everything that translates this power into activity. The transmission, the full coil suspension, the balanced drive-shaft, the brakes. All working together. All tuned.

Tuned Ride. We tuned the traditional Buick ride. And came up with something truly unique. Boulevard comfort with enough road-feel to let you know you're in charge. Then we added extra jolt-cushioning rubber to places that get a lot of pounding. The result is a very special kind of ride. A tuned ride.

Tuned Styling. We even tuned the way Buick looks. Possible? Look at any one of the Buicks. Every sweeping line and gentle curve suggests motion. Inside and out, the car has been designed to move. And to say so. Quietly. But emphatically. That's tuned styling.

Drive the 1966 Buick. Riviera, Electra 225, Wildcat, LeSabre, Skylark or Special Deluxe. They're all Buicks. All tuned cars. All tuned to you. Wouldn't you really rather have a Buick?

Be sure to watch "Telescope", "The Fugitive" and "The Red Skelton Hour" now showing on television. Check local listings for time and channel.

Drama Club Plans Three Comedies

The Drayton Valley Players fall production - An Evening of Comedy promises to be most entertaining with three comedies widely different in plot and setting.

"The Poison Party" directed by Barbara Eckert takes place in the Queen's parlour where the Queen Mother (Audrey Smale) is preparing to poison a pair of her subjects - Penny Meier and Tom Bijou. Larry Beckett will play the King, John Mulgrew the Cardinal and Mike Kobernick's rabbit will be making a special guest appearance.

"The Other Half" by Canadian playwright Elda Cadogan takes place in a backwoods clearing with Del Raddis and Betty Mosdell as a hill billy couple. Cam McCracken and Werner Wenzel play reporter and photographer who have come to get a "scoop" for their paper the "Other Half"

"Rise and Shine" also by Elda Cadogan and directed by Pat Moore will star Glenda Galloway and Ricky Simon as a couple who find themselves left behind in a graveyard after all the other corpses have answered Gabriel's Horn. Eleanor Pickup and Reg Samis play an elderly couple who come back to look for the stragglers.

The production takes place November 26th and 27th at St. Anthony's School Auditorium. Tickets are available from any member of the Drama group, the Hudson's Bay Office and Don McKenzies Men's Wear.

MOON LAKE NEWS

Barbara Schenk, Correspondent

There was a good turnout to the F.U.A. meeting on Saturday, November 6th at Millbank. There was a lot of business to cover. Canvassers were picked. Joe Burki is going to the convention as a delegate again this year.

Clara Bush and Lloyd Chambers went to their Uncle's funeral at Thorhild. Jack Chambers passed away last Thursday. We extend our deepest sympathy to them.

37 million acres give Albertans room to grow

Over half the land area of Alberta is public land, protected and developed by the Department of Lands and Forests. Most of this public land has been set aside for forestry: to protect the watershed, to ensure a sustained yield of timber and to provide recreational facilities. From time to time, protected land is made available for agricultural use, particularly in the Peace River district where large tracts of land are undergoing homestead development.

Lands are also made available for private development through public auction and agricultural farm sales, cultivation leases, grazing leases and special permits.

Alberta has all the requirements for tremendous growth and 37 million acres of room in which to carry out that growth in an orderly manner.

SWEET TRAGEDY OF LIFE

Ah, the torture, woe and pain
To be bound with ball and chain,
Caught within its mighty grasp;
Tight, secure, eternal clasp -
Against her breast.

Tied with duties to perform.
All too soon the kids are born,
Her husbands wants to cater to;
Unnumbered folks related to -
Still him she loves.

He labors there with sweaty brow;
A family needs supporting now.
He thinks she nags, complains and cries;
Then changed before his very eyes-
She's "Pussy-cat" again.

Her cooking seldom wins a smile,
Her dress is sadly out of style,
She longs for mushy compliment:
Her husband proves himself content
With the 'Journal".

The web of love has trapped them fast.
They struggle there..... and then at last
They learn to live within its bounds.
Their happiness at last is found --
--And they are old and grey.

Oil Wives Meeting

The monthly meeting of the Drayton Valley Oil Wives was held in the Cardium Room, November 8th. Eighty-one members, six new members and seven guests were present to enjoy a delicious steak dinner.

During the business meeting the report was given on plans for our mixed curling bonspiel to be held November 20th. Twenty rinks are entered. The Club Roster will go out at the December meeting. One spoon was presented and one has been sent to members transferring from the club. It was moved and carried that club members may exchange small gifts at the December meeting. An election for position of Historian was held and Gladys Schultz was put in by acclamation.

President, Lil Ross, reported on the business aspects of this year's convention, held in Regina last month. There are presently 1,574 Oil Wives in thirty member clubs. We are the second largest club, being second only to Calgary.

The convention emphasized the Motto of our clubs, to "Foster Friendship". Vice President, Jackie Timmins, reported on the social aspects of convention.

We were to have had a representative from Coutts-Hallmark Ltd. visit us with a demonstration on the timely topic of gift wrapping. He was unable to be present, however, but sent along an excellent movie picture on the art of gift wrapping which was immensely enjoyed by all. The door prize was won by Gladys Schultz.

We welcome new members to our Club. Anyone wishing information can contact Membership Chairman, Betty Wronko, at 542-4380.

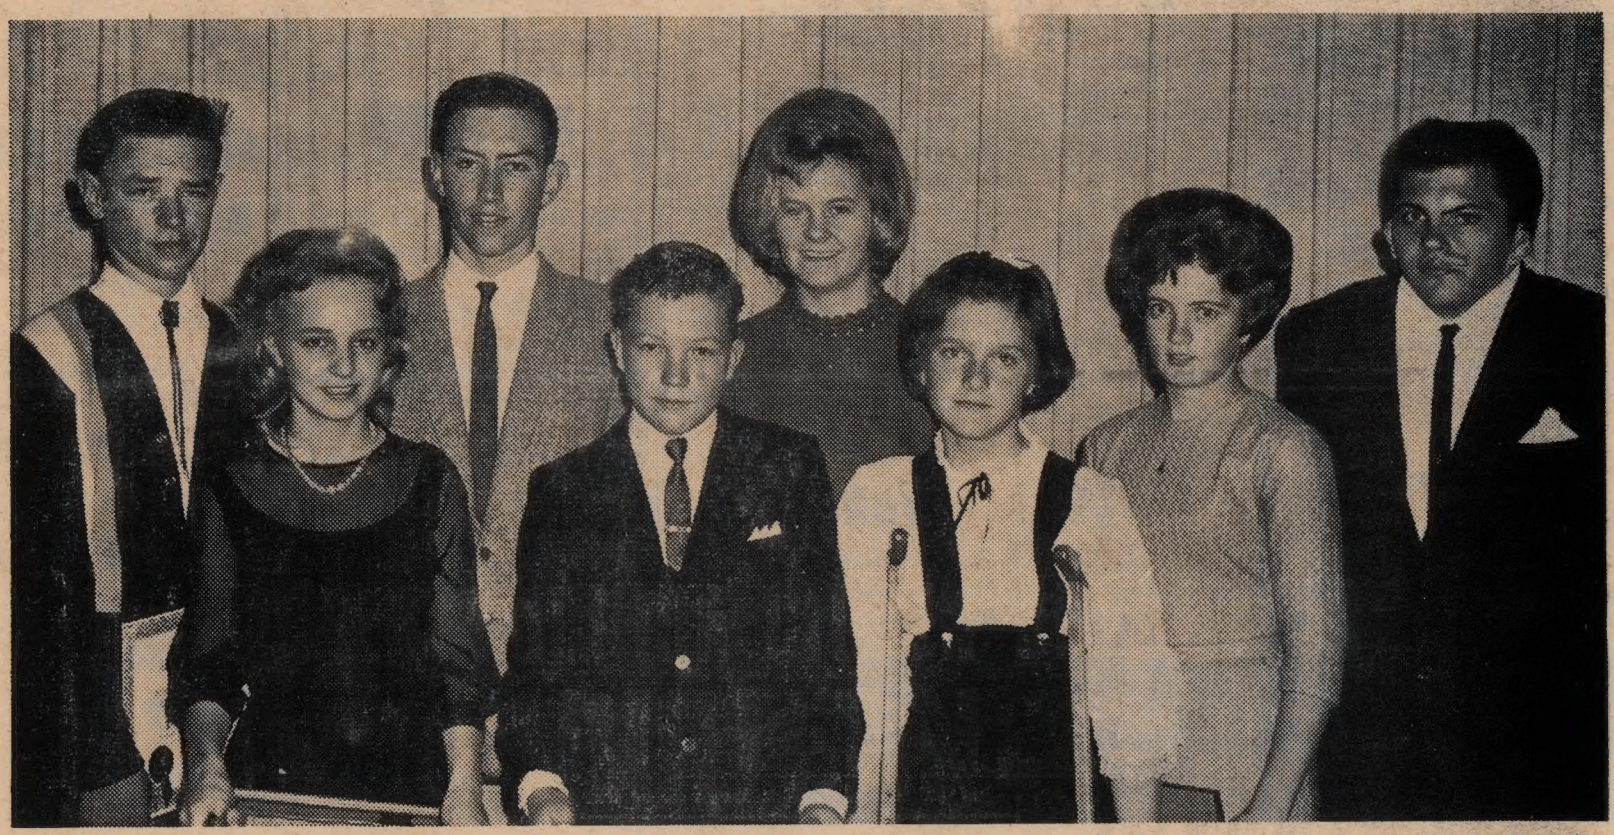
ALBERTA JUNIOR CITIZEN OF THE YEAR

BULLETIN:

1965 AWARD WINNERS ANNOUNCED!

Calgary Power is proud to present this year's winners of Junior Citizen of the Year awards. They are enterprising boys and girls who have made worthwhile contributions to home and community. The winners were selected by a panel of weekly newspaper editors from scores of worthy young Albertans. We gratefully acknowledge the help and active participation of Alberta's newspaper editors, who have also been instrumental in making this program a success. We also thank the responsible men and women of our Alberta who sent in Alberta Junior Citizen of the Year nominations.



These courageous and enterprising young winners received their awards during the Alberta Weekly Newspaper Convention in Lethbridge, October 22.

From left to right (front row)

THERESA BECHER, Bashaw, Alberta
Theresa, a beautifully natural lyric soprano, unselfishly gives her talent to her community. This 16-year old girl passed two music examinations with honors. Nominated by Mrs. J. G. Pearson of Bashaw.

TIM ALENIUS, Thorsby, Alberta
This heroic 13-year old boy saved his cousin from drowning when he fell through the ice while skating on Pigeon Lake. Nominated by William Grasiuk of Thorsby.

JOANNE TUPKAL, High River, Alberta
13-year old Joanne was stricken with polio when she was only 11-months old. She has spent most of her life in the hospital. She sets an inspiring example to other handicapped youngsters by living a next-to-normal life. Nominated by Mrs. George Fisher and Mrs. H. J. Kinzell of High River.

From left to right (back row)

DUANE AND DAVID LINKLATER, Haynes, Alberta
13-year old Duane and 15-year old David have shown an unusual sense of responsibility by taking complete charge of farm duties while their father was sick. Nominated by Mrs. J. Linklater of Clive.

FAY JOHNSTON, Didsbury, Alberta
Fay, who is just 15 years old, has had complete charge of her home for 4 years. Undaunted by her great responsibilities she still has time for many community activities. Nominated by Mrs. James Currie, Didsbury.

JUDITH RUTLEDGE, Wainwright, Alberta
The only girl in a family of 6 children, 15-year old Judith cheerfully looks after her invalid mother and young brothers. She maintains high marks in school and is active in the local 4-H club. Nominated by Mrs. D. K. Roach of Wainwright.

DOUGLAS PRICE, Turner Valley, Alberta
Douglas is the President of the Oilfield Teen Club. These far-sighted teenagers serve hot "meals-on-wheels" to senior citizens in their area. They are a responsible group of boys and girls giving worthy service in their community. Nominated by Graham Smith of Calgary.

Hospital Aux. Holds Meeting

The regular monthly meeting of the D.V. Hospital Auxiliary was held on November 4, 1965. There were ten members present.

After some discussion, a motion was made and passed to change the method of getting new comic books over to the hospital. Mrs. Heyland then volunteered to pick out about one dozen comic books a month and take them over to the hospital.

The Auxiliary has sent ten dollars to CARE.

There is to be a Christmas bake sale on Tuesday, November 23rd at the Bay from 2:00 p.m. to 5:00 p.m.

The next meeting of the D.V. Hospital Auxiliary will be held on December 9, 1965 at 8:00 p.m. in the nurses' residence. It will be in the form of a Christmas party and there will be a gift exchange.

Anyone wishing to join the Auxiliary or to come as a guest may contact Mrs. Ida Cross at 542-3952.

ANGLICAN W.A. ANNUAL MEETING

The annual meeting of the Anglican W.A. was held on November 5th with 11 members present.

The meeting opened with prayers and Litany from "Living Message". Early History of Articles of Religion was studied in the Educational period. The J.A. are selling church calenders it was announced.

All annual reports were read. The "Young Mothers Group" will meet at the Parish Hall on November 25th from 10 to 11 a.m.

New Executive for the coming year is: President - Mary Burrows; Vice President - Edith Dunnington; Treasurer - Norma Baxter; Secretary - Mary Hewlett; Living Message - May Urchyshyn; Dorcas and Assistant - Florence Ramona, Patsy Mastre; Prayer Partner - Kathy Wills.

Meeting adjourned with Prayers and lunch was served.

Ski Club Plans Active Year

Following a very successful first year of operation the Drayton Valley Ski Club plans for a big 1965-1966 season.

The first general meeting of this season will be held November 25th, 1965, on Thursday at 8:00 p.m. in Goliad Ltd.'s Drayton Valley Office.

During the past few weeks many changes have been made at the ski hill. A new building has been added to the existing building for additional space for lodge skiers. A complete new run on the south side of the tow has been cleared and is ready for this season. This new run should provide many interesting hours of fine skiing. A junior cutoff is also provided for this new run. The south side of the bowl run has been widened, as well as the take off from the top of the tow to the north slope. Skiers can now leave the top of the tow line and ski directly to the north slope. Many improvements have been made, so come out to the hill and take a look.

At the general meeting scheduled for November 25th 1965, elections will be held and plans for the coming year discussed. A ski film will be shown and coffee and donuts served.

Ski club memberships are now available at Don Mackenzies men's Wear.

Hope we will see you all at the general meeting.

Evansburg News

Mrs. M. Bruner, Correspondent

The Group Committee of the 1st Pembina Valley Cub Pack held its regular monthly meeting on November 1st. Mr Berry, manager of the Royal Bank was appointed treasurer for the coming year. Plans were tentatively discussed for a father and son bake sale.

Thanks from the Cubs go to everyone who kindly donated bottles for the fall bottle drive. With everyone helping, the drive in both Entwistle and Evansburg was a success, although taking place on different days.

Bill Barewise's cronies wish him a speedy recovery from his illness which has put him in an Edmonton hospital.

The district school children had a "holiday" Thursday and Friday of last week while their teachers attended the convention in Edmonton.

Mr. & Mrs. M. Mazeppa have returned from a U.G.G. convention held in Calgary. While in the fair southern city, they took a trip to Banff. Kenny and Allan, their boys couldn't be bothered with so much travelling so they stayed with the Bruner boys.

Don't forget the annual District Council banquet and meeting to be held on November 26th for all interested in Scouting.

Congratulations go to Mr. and Mrs. Harvey Tuttle on their recent marriage. Mrs. Tuttle is the former Donna Curd from Evansburg.

D.V. HIGHLIGHTS

By Edith Deby

Mrs. John MacKenzie has just returned from a week's stay in Vancouver where she attended her niece's wedding.

Douglas Davidson is home for a few days visit with his parents, Mr. and Mrs. Hubert Davidson, at Rocky Rapids. Doug is engaged in the lumbering industry and lives at Beaver Cove, Vancouver Island.

Miss Marie Ann McLean celebrated her twentieth birthday on Sunday with her family. Miss McLean is now in her second year of pre-med at the University of Alberta. Won't Dr. Marie A. McLean look fine on a clinic door a few years hence?

Mrs. Samuel Wallace has had a number of house guests in recent weeks. Mrs. Wallace's son, Beresford, now living in Toronto, came to see his mother for one of his frequent (considering the distance) visits. Other guests were Mr. and Mrs. Labow, of Pembroke, and Mr. and Mrs. Morrow, of Ottawa.

Mrs. Fred Haggerty is a patient in the local hospital. She is a victim of THAT cold.

Because Mrs. Carl Erickson finds it very lonely on the farm since her husband's death she has spent much of the time visiting members of her family. Now she is staying in Edmonton where she is caring for a former neighbour, Mrs. Demsky. Mrs. Demsky has lost her eye sight.

Almost one hundred people converged on the Bohdan . Urchyshyn home one evening for the traditional house warming. During the evening Mrs. Tocheniuk presented the Urchyshyns with a lovely dinner set, the gift of their friends. A social evening was enjoyed.

Walter Mastre is seriously ill in the University Hospital following surgery for the removal of a blood clot from his jugular vein.

Lodgepole News

MRS. W. NORQUAY
Correspondent

A group of Lodgepole gentlemen are working to get the skating rink and the curling rink ready for use. I understand they have the first sheet of ice down on the skating rink Keep up the good work men.

Mr. and Mrs. W. Broderson went into Edmonton to see Mr. Broderson's mother who is ill in an Edmonton Hospital.

I understand Don Goodheart is back home again. Sure hope you are feeling better Don.

Mrs. L. Bennett came from Miami, Manitoba to work for Mr. and Mrs. Roy Mundorf for the winter.

Miss Linda Rosentreter was in the Drayton Valley Hospital last week and had an operation. She is home again this week and she is as lively as ever.

The hunters are going through Lodgepole again. I understand Mrs. T. Woytovicz was out this way to go hunting with Tony in the early part of the week. Good hunting Marie and Tony.

Mr. and Mrs. Wes Harrison and family came out to visit with Mr. and Mrs. Roger Nelson last weekend. Mr. Wes Harrison is stationed at the R.C.A.F. base at Cold Lake.

Mr. Bud Eshpeter is driving a new 1966 Dodge car these days.

The Cubs and Scouts wish to thank the Lodgepole citizens for their support in making their bottle and apple drive a success.

Monday night Lodgepole had a bit of excitement. A cabin at Carolina Auto Court started on fire. Mrs. E. Kyle had been in it and cleaned it and lit a fire in the stove. She was getting it ready for some hunters. The next she knew it was on fire. The cause is thought to be a faulty oil stove.

Mr. and Mrs. Bill Beckett of the Violet Grove district celebrated a family birthday Saturday with twenty-two guests for supper.

Bridal Shower

A most delightful bridal shower was held at the home of Mrs. Anne Crough, Friday evening, November 5th, when co-hostesses, Mrs. Crough, Mrs. Munro and Mrs. Domke, entertained in honor of Miss Allette Dickie whose marriage to Mr. Brian Logan will take place at Drayton Valley United Church on November 20th

As the bride-elect entered the room, looking fresh and lovely in a two-piece suit of pink wool, she was showered with confetti and presented with a lovely corsage. Miss Dickie was then escorted to the throne of honor beneath huge white wedding bells. The bride's mother, Mrs. Dickie, was seated to her right and the groom's mother, Mrs. Logan, to her left. The room was beautifully decorated with mauve and white streamers for the occasion.

Following the entertainment in which all participated, the hostesses presented Miss Dickie with the gifts which were piled high in a mauve and white decorated baby's playpen.

After the gifts were opened and displayed, the bride gave a very appropriate thank-you speech. The hostesses then served an attractive and delicious buffet lunch before the guests departed to their various homes. Everyone reported a most enjoyable evening.

Warriors Win Over Seba

The FMHS Warriors travelled to the Seba Beach for a high school basketball contest and came home with a 44-28 victory. The game was played at a fast pace and both teams showed themselves to be in good condition for this early in the season. The Warriors, using a 1-2-2 shifting zone held the Seba boys to a limited 28 points.

On offense Jim Cathrea led the Warriors with a 15 point performance working from the left forward position. Rolf de Geest playing a strong game at center added another 10 points and Larry Metelski followed with 8 points from his guard position.

For Seba Lynn Anderson scored 8 points and Hank Nychahalo followed with 7.

In the opening game the Seba girls turned back the Drayton girls 31 - 9. Mary Sinclair led the Seba girls with a 9 point effort. For Drayton, Lucille Comeau and Loma Sock played well to a losing effort.

The FMHS Warriors and Warriorettes will play their first home games this Friday at the High School auditorium against the Mayerthorpe High School.

The members of the community are invited to come out and enjoy these Friday night basketball games - America's greatest spectator sport.

The draw for the transister radio will be made between the games.

AARN Members Hear Panel

Fourteen members met Wednesday, November 10th to hear a panel discussion on "Accreditation" in the hospital and to discuss pertinent business matters.

Members of the panel consisted of Mrs. Johnke, Matron of Drayton Valley Municipal ; Dr. Maclure, Chairman of the medical staff; Mrs. Malloy, Lab. and X-ray Technician; and Mrs. Bates, medical records. The one hour panel including question period was most informative and seems to indicate that "Accreditation" is a desirable goal for hospitals to strive for, despite extra time, meetings, discussions and extra records for many members of the staff. The P.A.S. System of Medical Records is a marked change and can present a great deal of coded information in a short time if needed. It is also of benefit in obtaining statistical comparisons.

Following the panel, October minutes were read, treasurer's report given, correspondence read and committee reports heard.

O. Trudel and B. Orieux were appointed to serve on the nominating committee.

On December 3rd a meeting will be held at 9:30 a.m. in A.A.R.N. office to discuss the new structure of the A.A.R.N. as proposed by the Stevenson-Kellogg survey. A representative from each chapter is asked to attend and D. Pollock volunteered to attend.

M. DeCiccio outlined the "Structure Study and its recommendations."

Following a great deal of questions and general discussion a motion was made that all members interested avail themselves of the 3 copies available and present their views to the executive who will meet with D. Pollochon November 24th to further discuss the study and give her suggestions from the group to take to the meeting December 3rd. If the proposed changes become a reality it will mean many changes in representation and will change the status of all the associate and inactive nurses. It is therefore to the interest of every R.N. to make themselves aware of the new structure and to voice their views now.

COOKING MAGIC

Tested recipes and meal planning ideas prepared for Western Review readers by the Home Service Department of Northwestern Utilities Limited.

It may seem awfully early to be talking about Christmas cakes, but to have them taste their best for the holidays, you should bake them at least six weeks ahead of time. This gives them time to season. Wrap them in heavy duty foil and store in a dark place until the festive season. During this time the flavors from the fruit and seasonings come out and the cake has a much richer flavor. To give it a moist texture, wrap the cake in cheesecloth which has been soaked in rum or fruit juice and then wrap it in foil.

GOLDEN APRICOT FRUITCAKE

2 cups dried apricots
1 cup chopped candied pineapple
2 cups golden raisins
1 cup dark raisins
1 cup candied cherries, halved
1 cup chopped citron
1 cup chopped candied orange peel
½ cup chopped candied lemon peel
2 cups coarsely chopped pecans
1 cup slivered blanched almonds
1 1/4 cups shortening
1½ cups honey
2 tsp. rum extract or vanilla
6 eggs
2½ cups sifted all purpose flour
1 1/4 tsp. salt
1 tsp. baking powder
1 tsp. cinnamon
1/2 tsp. nutmeg
1/4 tsp. pumpkin pie spice

Cut apricots in thin slices, cover with boiling water; let stand 20 minutes, drain well on absorbant paper towells. Combine with other fruits, peel and nuts. Cream shortening, honey and vanilla or rum extract together thoroughly. Beat in eggs. Sift dry ingredients with spices. Add to creamed mixture, mixing to smooth batter. Add fruit mixture blending well. Turn into greased pans lined with foil. Bake in two 10 x 4 x 3" fruit cake pans and one 5½ x 3 x 2 1/4" loaf pans or one 10 inch tube pan and one 7½ x 3½ x 2½ inch loaf pan or in two 8 x 8 4 inch fruit cake pans. Bake at 275° F. about 2 hours for small loaves, 2 3/4 hours for medium loaves and 3 hours for 10 inch tube pan. Place a shallow pan of hot water on bottom oven. Cool and remove from pan. Wrap in fruit juice soaked cloth and store in refrigerator for several weeks before cutting. Makes 7 lbs.

RICH DARK FRUIT CAKE

1 1/4 lbs. butter
3 1/3 cups brown sugar
13 eggs
5 cups all purpose flour
2 tsp. cinnamon
1 tsp. nutmeg
½ tsp. mace
2 lbs. currants
3 lbs. seedless raisins
½ lb. dates, cut in quarters
½ lb. shredded almonds
1 lb. citron peel, chopped
½ cup grape juice
½ cup strong coffee
½ tsp. cloves

Cream butter and sugar thoroughly. Add eggs, one at a time, beating well after each addition. Sift flour, measure and sift 3½ cups with spices. Dredge fruit and nuts with remaining 1½ cups of flour. Add sifted dry ingredients alternately with the grape juice and coffee to the butter mixture. Lastly add the dredged fruit and nuts and combine. Bake at 275°F. in pans lined with double thickness of brown paper which has been oiled.

Thyroxin, manufactured by the thyroid gland, controls the body's metabolism. In order to produce thyroxin, the gland needs iodine which must be supplied through the diet. A lack of iodine causes the gland to swell, a condition known as simple goitre. To ensure that we have the necessary amount of iodine, it is added to table salt.

Control of Milk Prices

A report, outlining milk price control methods used in the four western provinces over the last 30 years, has just been released by the Alberta Farm Economics Branch.

"Control of Fluid Milk Prices in Western Canada", compiled by G.B. Parlby, Resource Development Economist, discusses the conditions that brought about the establishment of milk marketing boards and traces their evolution through to the present day.

In the report, Mr. Parlby shows that the milk control legislation came into being because of a breakdown in the continuity of the consumer milk supply and because milk quality was in danger of deteriorating. This situation reached its peak during the depression when milk control legislation was initiated in the three prairie provinces. Because of different problems and conditions, British Columbia did not bring in legislation until 1946 although problems had existed in the industry since 1923.

Initially all four provinces placed milk control under some form of Public Utility Act but Alberta is the only province which has retained control under the Public Utilities Act The other three provinces passed new acts for this purpose.

The objective of Milk Control Boards, as outlined in the Report, is to create conditions in the market that will enable the milk industry to provide the consumer with a continuous supply of high quality fluid milk. To achieve this, the Boards aim at providing price stability by price setting and the use of producer quotas.

An analysis of the results shows that producer prices have been relatively stable compared to other agricultural products since the Milk Control Boards took over. Surpluses in the four western markets vary according to production conditions in each market and the methods used by the different Boards to establish prices and quotas. Mr. Parlby says consumer prices have remained consistent with prices of other consumer products over the years.

The study was initiated and sponsored by the Public Utilities Board, the University of Alberta and the provincial Department of Agriculture to provide reference material for milk control board personnel, executives of producer associations and milk distributors in the four western provinces. The Report could also be useful to university students and research personnel involved in the marketing end of agricultural economics.

Skating Hoped To Start Soon

The Rotary Community Park Skating Rink will hopefully be open for skating this weekend. Of course, so much depends on the weatherman, however, if present conditions continue the ice surface should be satisfactory for skating purposes. The rink caretaker and supervisor, Clyde Brown has been working steadily for the past week on the preparation of the rink. With favorable weather he should have some very fine ice in a week or so.

Admission fees at the Rotary Park Rink are as follows: Family Season Ticket $3.00, Single Season Ticket $1.00 and a Double Season Ticket will sell for $2.00. For those not acquiring a season ticket, admission shall be 25¢ for an adult and 10¢ for a child or student each time using the rink.

Over at the Lions' Hockey Rink things are also progressing favorably. The ice here will not be ready quite as soon as that on the skating rink, however, we hope to have it fit for skating on Saturday or Sunday. Peter Gregersen is in charge of proceedings at the hockey rink. We are looking forward to a favorable hockey season this year which would be first since 1962. If we can get a break from the weatherman we should be able to present a good hockey program this winter both at the Minor and the Intermediate levels.

It takes nature from 500 to 1000 years to make an inch of good top soil. But it can wash away in a single night.

Legion's 40th Anniversary

The Royal Canadian Legion celebrates its 40th anniversary on the 25th of November, and Canada's most distinguished veteran will help the organization observe its birthday.

His Excellency the Governor-General Major-General Georges P. Vanier will be the guest speaker at an anniversary dinner to be held at the Chateau Laurier.

Other expected guests include the Prime Minister, the Leader of the Opposition and those ministers with which the Legion has been primarily associated. Four Past Dominion Presidents and members of the Legion's Dominion Executive Council will also be present.

The Legion was formed at Winnipeg in 1926 at a conference of veterans' organizations which opened on November 25th.

Before WWII its membership was about 50,000. Today that membership in 2,000 Legion branches exceeds 275,000. In the past four years, membership has grown by 25.000.

Much of today's veterans' legislation was originally proposed by the Legion in its briefs to the government. The Legion also provides a free service for individual Canadians who have problems relating to pensions or allowances. During the past decade, the Legion has also become extremely active in sports, education and housing.
